COMES NOW Richard M. Romley, Maricopa County Attorney,
by Jerry G. Landau, Special Assistant County Attorney and files a
comment to the above Petition.

The Maricopa County Attorney specifically supports the
proposed amendment to Rule 123(g)(5)(G)(v) and (vi) in that victim's
names and in addition documents, docket and calendar information
on unserved orders of protection or injunctions against harassment,
are not open to the public by remote electronic means. However, the
Maricopa County Attorney, in order to ensure implementation of
A.R.S. §8-413 and 13-4434, Victim's Right to Privacy, suggests
adding victim's addresses, telephone numbers, place of employment
and other locating information to the documents and data not open to

public inspection by remote electronic means. It is noted that parties' residential addresses are excluded by the proposed rule.
